What is the biggest problem in today's art world?

Norman de Brackinghe
Photographer, Street Observer and Haiku Poet
Hong Kong
28 March to 4 April 2019 at Art Basel, Hong Kong, and over whatsapp

Hell bent on fashion
Art spinning out of
control
Is losing it's meaning

017
Art without a soul
The emptiness is
empty
When it could be
full

Art is part of life
Ice melts and water
freezes
The wind is singing

Ink drips at random
Art falling between
the gaps
Will fall on its feet
